Description

LUXURIOUS "NEW RELEASE" 2024 REVIVAL 760 HT-WEEKENDER POWERED BY TWIN MERCURY 225 XXL FOURSTROKE OUTBOARDS ON A DUNBIER ALLOY SUPER ROLLER ELECTRIC BRAKED TRAILER

AVAILABLE NOW FOR IMMEDIATE DELIVERY

Measuring in at 7.8m in Length with a spacious 2.48m Beam, the Luxurious New 760HT WeekEnder is the Flagship of the Melbourne-built Revival Boats range and establishes a new value-for money bench mark in the Maxi-Trailerable market. The 760HT WeekEnder intentionally blurs the line between luxe sports cruiser and capable sports fisher and delivers it to the market without compromising on Revivals value for money ethos.

Rated to 450HP in twin-engine configuration or 400HP with a single outboard, our 760HT-WeekEnder is just as at home cruising the Broadwater or racing across Moreton as it is plying the depths off the shelf hunting for Marlin and definitely knows how to pamper its crew whatever the occasion!

Boasting a generous, uncluttered deck with wide slide-back storage benches, the recently-released 760HT WeekEnder debuts a plethora of firsts for the family-focussed Revival Brand.

From the WIDE Side Access Door with Removeable Swim Ladder, to the versatile Portside Galley with upright Fridge Freezer this boat has FUN baked into its DNA and boasts enough room for extra deck chairs and an easy-stow dinette that stores underfloor to clear the dancefloor. Not enough? Why not select the optional 2400W Portable Power Station that can power your favourite household appliances creating your own ultimate seaside eatery. Fancy an Espresso while tangling with a coral trout? Why not!!!

As displayed, the H-U-G-E new Revival weighs in at around 3400kg (wet) with Twin Mercury 225 V6 Fourstrokes that are ready to chase the horizon...FAST!. An extended Fibreglass Hard Top provides plenty of shade while the upgraded Polycarbonate Front and Side Clears offers protection from the elements and an uninterrupted view of the coast as it blurs by.

This Towaway Package rolls on a Tandem Alloy Dunbier trailer with Electric Brakes that's comfortable behind large utes and SUV's or park it on a pontoon outside your waterfront abode for the ultimate getaway.

Priced at around \$40,000 below similar (often smaller) fibreglass hulls, the 760 HT WeekEnder is also perfect for big boat owners and empty-nesters downsizing from berthed boats. It offers unrivalled space for a large crew and doesn't compromise on versatility or performance.

If you're in the market for a large, uncompromising feature-rich OffShore-ready luxury rig that makes the opposition seem ridiculously over-priced by comparison, then the 760HT WeekEnder deserves your attention!
